

## If I Didn't Love You - 1/2

**Interprété par Tina Arena.**

So good

When it's good I wanna spend my whole life lovin' you

But I'm tired

And you don't know how close I've come to leaving you

You try my patience

And you race me to the wire

It takes every ounce of my will and desire

If I didn't love you

If I didn't love you like crazy

If I didn't love you baby

As much as I do

I'd just walk out the door

I couldn't take it anymore

I wouldn't put up with what you put me through

If I didn't love you

It's hard

But you won't give up 'till you

Push me to the wall

But I know

You're the only one who'll be there for me

When I call (oh yes you will)

I can't help believing

That it's worth it somehow

Cause I've worked too damn hard

To wanna give up now

If I didn't love you

If I didn't love you like crazy

If I didn't love you baby

As much as I do

I'd just walk out the door

I couldn't take it anymore

I wouldn't put up with what you put me through

If I didn't love you

If I didn't love you

If I didn't

If I didn't love you like I do

When you love someone

Nothings black or white

When the riptide runs

There's no wrong or right

I'll sail with you but I'll refuse to drown

So don't you take me down, down

Take me down down

## If I Didn't Love You - 2/2

Don't you take me down, down, down  
If I didn't love you  
If I didn't love you  
I'd walk out that door  
I don't need it anymore  
Need to put up with what you put me through  
If I didn't love you  
If I didn't love you  
If I didn't love you  
If I didn't love you like I do  
I'd walk out that door  
I'm not comin' back no more  
No more
