

# My Love Grows Deeper Part 1 - 1/1

Interprété par Nelly Furtado.

[Chorus:]

My love grows deeper every day and takes a little piece of me  
My love grows deeper every day and takes a little piece of me  
My love grows deeper every day, deep into the sea  
But takes a little piece of me, a little piece of me

Oh it's so beautiful out and I can't see why we're not allowed to be  
Up in the sky with the birds counting the flowers  
Oh my powers have failed me again when I can't see beginning to end  
And I try to test it again through the hours  
I get so stuck on leaving but I guess I think I'll stay  
I'll be hanging around here anyway  
I get so stuck on leaving, hell I think I'll go  
Cuz they don't want me around here, no, no

[Chorus]

Oh why can't I be green as the grass beneath my feet  
As fresh as the dew hits the ground in the morning  
And not yellow like bumble bees, please take me off my knees  
Cuz I don't wanna be red forever  
I get so stuck on leaving but I guess I think I'll stay  
I'll be hanging around here anyway  
I get so stuck on leaving so hell I think I'll go  
Cuz they don't want me around here, no no

[Bridge:]

Traveling far, all up in the blue, traveling far,  
could not be born because of you  
Traveling far, up in the blue, could not be born because of you,  
because of you you you you you you  
I get so stuck on leaving, I guess I think I'll stay  
I'll be hanging around here anyway  
I get so stuck on leaving, hell I think I'll go  
You don't want me around here no more

I get so stuck on leaving, I get so stuck on leaving  
I get so stuck on leaving, stuck on leaving  
Stuck on leaving, I gotta go  
You cut my wings long time ago  
You cut my wings long time ago

[Chorus]
