

Tell Me Tell Me Baby - 1/3

Interprété par N Sync.

Oh
Hold on, uh
You know what?
Can we back it up
Just a little bit?
Said I
Said I Why
Tell me oh
We were born the same day
We even think the same way
It couldn't be more right
We are what they call
A perfect match
Something that you can't touch
Down to the last bone
You're my baby
But to be honest
There's just one thing
A part that is missing
You don't seem to care at all
Tell me, tell me baby
How come you
Don't want to love me?
Don't you know
That I can't breathe without you?
Tell me, tell me just how
What am I supposed to do
Right now?
Why can't you love me?
Why?
Tell me, my baby
Now from the moment we met
I thought that I was all set
How could I be so wrong?
Now I'm hearing that
You're seeing someone new
And I wanna know who
But does he love you like I do?
My baby
But I promise you this one thing
Whatever that's missing
I will make it up to you
Tell me, tell me baby
How come you
Don't want to love me?
Don't you know
That I can't breathe without you?

Tell Me Tell Me Baby - 2/3

Tell me, tell me just how
What am I supposed to do
Right now?
Why can't you love me?
Why?
Tell me, my baby
Getting under my skin
Messing up my mind
Never let me
Into your life and
Tell me baby
How come you
Don't wanna love me
And
Am supposed to live without
If there is no way
To make you
Feel the same way too
Ooh
Tell me, tell me
Tell me, tell me
We were born the same day
We even think the same way
We are what they call
A perfect match
Tell me, tell me baby
How come you
Don't want to love me?
Don't you know
That I can't breathe without you?
Tell me, tell me just how
What am I supposed to do
Right now?
Why can't you love me?
Why?
Tell me, my baby
Tell me, tell me baby
How come you
Don't want to love me?
Don't you know
That I can't breathe without you?
Tell me, tell me just how
What am I supposed to do
Right now?
Why can't you love me?
Why?
Tell me, my baby
Tell me, tell me, tell me
Tell me, tell me, tell me
