An ain't no need in waiting up you done found you another home

(Justin)

I don't know why you care (why you thinkin' bout him huh?)

He doesn't even know you're there

'Cause he don't love your eyes

And he don't love your smile

Girl you know that ain't fair

The middle of the night

Is he gonna be by your side?

Or will he run and hide?

You don't know cause things ain't clear

And baby when you cry

Is he gonna stand by your side?

Does the man even know you're alive?

I got an idea

Won't you be my girlfriend

I'll treat you good (I'll treat you good girl)

I know you hear your friends when they say you should

'Cause if you were my girlfriend

Girlfriend (Remix) - 2/3

I'd be your shining star
The one to show you where you are
Girl you should be my girlfriend

(J.C.)

Does he know what you feel (he know what you feel?)
Are you sure that it's real (are you sure?)
Does he ease your mind (nah)
Or does he break your stride? (come on)
Did you know that love could be a shield yeah

In the middle of the night
Is he gonna be by your side? (nah)
Or will he run and hide?
You don't know cause things ain't clear
And baby when you cry (oh no)
Is he gonna stand by your side? (no no)
Does the man even know you're alive?
I got an idea (listen)

Won't you be my girlfriend (yeah yeah)
I'll treat you good (I'll treat you good girl)
I know you hear your friends when they say you should
'Cause if you were my girlfriend (Uh, uh, uh uh)
I'd be your shining star (I'd be the one to shine for you girl)
The one to show you where you are
Girl you should be my girlfriend

(Nelly)

Check it, I, I, I, I, I, I need a Beyoncey, as cute as Beyoncey
Ghetto like the Brat ready to scrap when I say
The talents of Alicia not fall, Ms. Keys
Take the hips off Trina, the lips off Eve
I put you so high on a pedistol, it might make your nose bleed
Sow medallions around your ankles and watch your toes freeze
Whats wrong ma? Your man aint bringing you joy?
Don't trip flip the script to a country boy, now come on!

(Justin)

Ever since I saw your face
Nothing in my life has been the same
I walk around just saying your name
Without you my world would end, yeah

(J.C.)

I've searched around this whole damn place
And everything says you were meant to be
My girlfriend... oh

Girlfriend (Remix) - 3/3

Won't you be my girlfriend (yeah)
I'll treat you good (uh)
I know you hear your friends when they say you should
'Cause if you were my girlfriend (my girlfriend)
I'd be your shining star (shining star)
The one to show you where you are

Girl you should be my girlfriend
(you make my heart sing) (uh uh uh uh)
(you make my heart sing)
(you make my heart sing) (uh uh uh uh)
(you make my heart sing)

Girl you should be my girlfriend
Would you be my...
Girl you should be, my girlfriend
Would you be my girl?
Girl you should be, my girlfriend
Would you be my...
Girl you should be, my girlfriend
