

Bounce - 1/1

Interprété par System Of A Down.

Jump, bounce, down, up
I went out on a date
with a girl, a bit late
she had so many friends
gliding through many hands
I brought my pogo stick
just to show her a trick
she had so many friends
Gliding through many hands
Jump pogo.....Bounce pogo
Down pogo, up pogo
Unannouced twster games
All players with no names
they lined up double quick
but just one pogo stick
everyone gets to play
runaway exposZ
it was so exotic
but just one pogo stick
Jump pogo.....Bounce pogo
Down pogo, up pogo
Oh I like to spread you out
touching whoever's behind
Jump pogo.....Bounce pogo
Down pogo, up pogo
