

Findaway - 1/1

Interprété par Silverchair.

You've been locked up, and you need to escape.
You broke the law, it was your first offence.
Drug addiction, subtracting all your privileges,
But giving up just makes no sense.

We'll find a way,
We'll find a way.

Don't give in, don't give in,
Don't give in, don't give in,
Ohhh.

All you can think about is breaking free.
You can't make it on your own.
You're thinking negative, nothing can go right.
It's eating you down to the bone.

[Chorus]
