

## Venice Queen - 1/2

**Interprété par Red Hot Chili Peppers.**

Does it go from east to west  
Body free and a body less  
Come again just to start a fresh  
Once again to find a home  
In the moment of the meantime

Dropping in coming through the mesh  
Checking in just to get it blessed  
Hard to leave when it's picturesque  
Find a form that's free the roam  
Where you coming from  
Where you going

Do it all then it all again  
Make it up and you make a friend  
Paddle on just around the bend  
Find a place where you can see  
All the mamas and the papas

Take a chance on a recommend  
Hard as hell just to comprehend  
Disbelief that I do suspend  
Easy now to find a breeze  
Where you come from  
Where you going

We all want to tell her  
Tell her that we love her  
Venice gets a queen  
Best i've ever seen  
We all want to kiss her  
Tell her that we miss her  
Venice gets a queen  
Best i've ever

I know you said you don't believe  
In god do you still disagree  
Now that it's time for you to leave  
G.L.O.R.I.A  
Is love my friend

Your stylish mess of silver hair  
A woman of your kind is rare  
Your uniform returns to air  
G.L.O.R.I.A  
Is love my friend

## Venice Queen - 2/2

And now it's time for you to go  
You taught me most of what I know  
Where would I be without you Glo  
G.L.O.R.I.A  
Is love my friend

I see you standing by the see  
The waves you made will always be  
A kiss goodbye forever you leave  
G.L.O.R.I.A  
Is love my friend
