

# All The Weary Mothers Of The Earth (People's Union #1) - 1/1

Interprété par Joan Baez.

All the weary mothers of the earth will finally rest  
We will take their babies in our arms and do our best  
When the sun is low upon the field  
To love and music they will yield  
And the weary mothers of the earth shall rest

And the farmer on his tractor and beside his plow  
Will stand there in confusion as we wet his brow  
With the tears of all the businessmen  
Who see what they have done to him  
And the weary farmers of the earth shall rest

And the aching workers of the world again shall sing  
These words in mighty choruses to all will bring  
"We shall no longer be the poor  
For no one owns us anymore"  
And the workers of the world again shall sing

And when the soldiers burn their uniforms in every land  
The foxholes at the borders will be left unmanned  
General, when you come for the review  
The troops will have forgotten you  
And the men and women of the earth shall rest
