

## Something - 1/1

I don't wanna say i'm sorry  
Cause I know there's nothing wrong  
Don't be afraid there's no need to worry  
Cause my feelings for you are still strong  
Hold me in your arms  
And never let me go  
Hold me in your arms  
Cause I need you so  
I can see it in your eyes there is something  
Something you wanna tell me  
I can see it in your eyes there is something  
that you hide for me  
Is there a reason why  
There is something, something you wanna tell me  
I see it in your eyes, there is something  
That you hide for me
