

## Coma White - 1/1

**Interprété par Marilyn Manson.**

There's something cold and blank behind her smile

She's standing on an overpass

In her miracle mile

(coma):

You were from a perfect world

A world that threw me away today

Today to run away

A pill to make you numb

A pill to make you dumb

A pill to make you anybody else

But all the drugs in this world

Won't save her from herself

Her mouth was an empty cut

And she was waiting to fall

Just bleeding like a polaroid that

Lost all her dolls

(coma):

You were from a perfect world

A world that threw me away today

Today to run away

A pill to make you numb

A pill to make you dumb

A pill to make you anybody else

But all the drugs in this world

Won't save her from herself
