

## Temptation - 1/1

**Interprété par Destiny's Child.**

Chorus:

I know you see me watching you  
and i see you watching me  
but boy your bodys callin  
the temptation is killin me-repeat-4x

Im chillin at the spot  
and my posse's four deep  
had my man on my mind  
turn my head what did i see?  
the fellas lookin fly,  
there was one that caught my eye  
so i bit my lip  
switched my hips  
as i walked by  
sayin,sexy boy, you so fly  
i just might give you a try  
ima write your number  
in the palm of my hand  
oops i forgot i got a man

Chorus:

im thinkin myself  
should i even take a chance  
should i do what's on my mind  
or should i should stay down wit my man  
this boy he got me feinin  
i'm wantin him so bad  
should i chill one night wit you  
and risk everything i have  
sayin,sexy boy you so fly  
i wish i could give you a try  
but my man's at home  
waitin for me by the phone  
sorry cant get my groove on!

(chorus)

Bridge:

temptations is callin  
i be wantin you so bad i could cry  
relationships callin me  
to do whats wrong but i gotta do right(-repeat-)
