Read Between The Lines - 1/3

Interprété par Aaliyah.

Uh hu

You got to read between the lines
you got to read between the lines
you got to read between the lines

Ah Ah Ah Ah

Late afternoon
It's the sun going down
A call on the cell
Why is he in such a hurry

Leaving the room
He's mumbling too
Now look what he's doing
He's leaving out the room

No explanation
No ask for location
Just watching him pacing
Wonder who he's chasing

Looks like versation
The end of debation
He'd love to go swing and

(Chorus)

You better open your mind
And read between the lines
Got to read between the lines
Got to read between the lines
Got to read between the lines

Hot in the morning
I'm up waiting for breakfast
Know you'r getting restless
This fool is full of questions

Little replying
Whole lot of denying
Instead I feel life in
So why do you keep on trying

Touch for the median
Now he's a comedian

That's all the more reason
I'ts changing like the season

Are you still pleasing
How soon you'll be leaving
Which one he'll be creeping

(Chorus)

(Bridge)

Your replies are getting old
It's in his eyes
You've got to read between the lines
Your replies again told
Look in his eyes
You've got to read between the lines
Your replies are getting old
It's in his eyes
You've got to read between the lines
Your replies again told
Look in his eyes
You've got to read between the lines

Don't really think your pulling one over me
Cause I
I know what's going on
Don't hope you won't be planning on running me
Cause Ah Cause Ah
I'll be gone
Don't really think your pulling one over me
Cause I
I know what's going on
Don't hope you won't be planning on runing me
Cause Ah Cause Ah
I'll be gone

Cause you're thinking
Your ___ aint mistaken
My temperature's peaking
Now why is you barely speaking

Busting his bubble
And he knows he's in trouble
He's talking in doubles
I listen to him hardly believing

Changing the story
And trying to ignore me

Read Between The Lines - 3/3

Still reaching out for me
Still aint no point in reaching

Give me a reason
To put you back on the line
You wasted enough time

I had to open my mind
And read between the lines
Got to read between the lines
Got to read between the lines
Got to read between the lines

(Bridge repete 2x's)
