

Thriller - 1/2

Interprété par Michaël Jackson.

It's close to midnight and something evil's lurking in the dark
Under the moonlight you see a sight that almost stops your heart
You try to scream but terror takes the sound before you make it
You start to freeze as horror looks you right between the eyes,
You're paralyzed

'Cause this is thriller, thriller night
And no one's gonna save you from the beast about to strike
You know it's thriller, thriller night
You're fighting for your life inside a killer, thriller tonight

You hear the door slam and realize there's nowhere left to run
You feel the cold hand and wonder if you'll ever see the sun
You close your eyes and hope that this is just imagination
But all the while you hear the creature creepin' up behind
You're out of time

'Cause this is thriller, thriller night
There ain't no second chance against the thing with forty eyes
You know it's thriller, thriller night
You're fighting to survive inside a killer, thriller tonight

Night creatures call o
And the dead start to walk in their masquerade
There no escapin the jaws of the aliens this time
(they're open wide)
This is the end of your life

They're out to get you, there's demons closing in on every side
They will possess you unless you change the number on your dial
Now it's the time for you and I to cuddle close together
All thru the night I'll save you're from the terror of the screen,
I'll make you see

That it's a thriller, thriller night
'Cause I can thrille you more than any ghost would dare to try
Girl, this is thriller, thriller night
So let me hold you tight and share a killer, diller, chiller
Thriller here tonight

Darkness falls across the land
The midnight hour is closer at hand
Creatures crawl in search of blood
To terroize y'awl's neighbourhood
And whoseoever shall be found
Without the soull ffor getting down
Must stand and face the hounds of hell

Thriller - 2/2

And rot inside a corppse's shell
The foulest sttENCH is in the air
The funky of forty thousand years
And grizzly ghoulss from every tomb
Are closing in to seal your doom
And through you fight to stay alive
Your body start to shiver
For no mere mortal can resist
The evil of the thriller
Can you dig it ?!!!
