

Black Suits Comin (BO Men In Black 2) - 1/3

Interprété par Will Smith.

Come-come on

Come on, come-come on-on

(MIB)

[The black suits comin']

[The black suits comin']

I'm comin', I'm comin', I'm comin', I'm comin'

I am the man in black

I'm back breakin' the back of the random attacker

So can the flack, yo'

I'm dangerous, I've been trained to bust

When a stranger fuss, tryin' to endanger us

Praise me, y'all, don't nothin' phaze me, y'all

When they see me they gage be all crazy y'all

They say I'm a myth, trust me if somebody rip

Out of the depths of your imagination appears Will

Smith

Black suit, the black shades, the black shoes

Black tie with the black attitude

New style, black Raybans, I'm stunnin', man

New hotness, pitch black, 600, man

Don't you understand, what you thought I wouldn't come
again

Leave you hangin' without bringin' you the fun again

Tanglin' with the alien scum again

Mind your manners or the black suits runnin' in

Nod ya head [The black suits comin']

Let me see you nod ya head like this [The black suits
comin']

Let me see you (Nod ya head) like this [The black
suits comin']

Let me see you bop ya head, nod ya head, come on

(Nod ya head) [The black suits comin']

Let me see you (Nod ya head) like this [The black
suits comin']

Let me see you nod ya head like this [The black suits
comin']

(Nod ya head...head...head...)

There's this chick right

Serleena makin' me sick, right

Earth is worthless to her, she be trippin' like

Threatenin' me and my mens, tryin' to get the light

Thinkin' she's superwomen, the black kryptonite

Put that phone down now, who you think you callin',

One little flash then, goodnight dear
Just open your eyes, honey, look right here, thank you
Mission completed, I mean it, we won't be defeated
You seen it, we did it, even with weapons depleted
Galaxy defenders, don't act like you don't remember
Takin' contenders and provn' they only pretenders
Ladies and gentlemen, boys and girls

When the enemy is near, the elite is here
So have no fear
