

Someday We'll Know - 1/2

Interprété par Mandy Moore.

ninety miles outside Chicago
I can't stop driving I don't know why
So many question I need an answer
Two years later, you're still on my mind

Whatever happened to Amelia Earhart
Who holds the stars up in the sky
Cuz true love is just once in a lifetime
Did the captain of the Titanic cry

Someday we'll know
If love can move a mountain
Someday we'll know
Why the sky is blue
Someday we'll know
Why I wasn't meant for you

Does anybody know the way to Atlantis?
What the wind says when she comes
I'm speeding by the place that I met you
For the ninety-seventh time, tonight

Someday we'll know
If love can move a mountain
Someday we'll know
Why the sky is blue
Someday we'll know
Why I wasn't meant for you
Yeah, yeah, yeah, yeah

Someday we'll know
Why Samson loved Delilah
One day I'll go
Dancing on the moon
Someday you know that I was the one for you

I want to take you to the end of the rainbow
Watch the stars crash in the sea
If I could ask God just one question
Why aren't you here with me, tonight

Someday we'll know
If love can move a mountain
Someday we'll know
Why the sky is blue
Someday we'll know why I wasn't meant for you
Yeah, yeah, yeah, yeah

Someday We'll Know - 2/2

Someday we'll know
Why Samson loved Delilah
One day I'll go
Dancing on the moon
Someday you'll know that I was the one for you
