

## Six feet under - 1/2

**Interprété par No Doubt.**

In the morning I  
wake up  
And in the night I sleep  
Since the day I was born  
Repeat, repeat, repeat  
Brought to this life  
Born to this life  
Where was I before?  
Non-existent? Not at all?  
Will I ever know?

Today is my birthday  
And I get one every year  
And someday...  
Hard to believe  
But I'll be buried six feet underground

Subconsciously motivated natural instinct  
Alter nature for the pleasure  
Orthocycline  
Flirt with conceptions  
Slow the cycle  
Will the baby grow?  
Social tradition interference  
Control, control, control

Today is my birthday  
And I get one every year  
And someday...  
Hard to believe  
But I'll be buried six feet underground

Spinning, spinning  
Before I can recall  
All the unknown chemicals  
Control the cycle  
The successive generations  
From dust to dust  
Burying my grandma  
Give birth to my own daughter

Today is my birthday  
And I get one every year  
And someday...  
Hard to believe  
But I'll be buried six feet underground

## Six feet under - 2/2

Today is my birthday  
And I get one every year  
And someday...  
Hard to believe  
But I'll be buried six feet underground  
I'll be dead and gone, no longer around  
I'll be buried six feet underground
