

Piece Of My Heart - 1/2

Interprété par Faith Hill.

Didn't make you feel like you were the only man?

And didn't I give you everything that a woman possibly can?

Each time I tell myself I think I've had enough

Well, I'm gonna show you baby that a woman can be tough

So, come on, come on, come on and

Chorus

Take it

Take another little piece of my heart now baby

Take another little piece of my heart

I know you will

Break it

Break another little piece of my heart now baby

'Cause you know you got it if it makes you feel good, so good

You're out on the street lookin' good baby

Deep down in your heart you know that it ain't right

No you'll never hear me cryin' you you know I cry all the time

Each time I tell myself that I can't stand the pain

So come on, come on, come on and

Chorus

Piece Of My Heart - 2/2

Each time I tell myself that I can't stand the pain

You hold me in your arms ans I start singin' once again

So, come on, come on, come on

Chorus
