

Go The Distance - 1/1

Interprété par Faith Hill.

You got me headed in a new direction

Got no reason to turn around

Ain't no looking back or second guessing

It's time to find what love is really all about

Chorus

Go the distance

Let our hearts lead us on

All the way to forever tonight

Can't resist it

The feelin's way too strong

Go the distance this time

The road to love is paved with shiftin' gravel

We may find ourselves on shaky ground

And there ain't no place that these two hearts can't travel

Even when we're miles apart together we are bound to

Repeat Chorus

There will be rainy days and bridges left to cross

But if we lose our way we can't get lost if we

Repeat Chorus
