

Let's Go To Vegas - 1/2

Interprété par Faith Hill.

Lyin' on the bank of the river

Stars are dancin', Lord it's hot

Holdin' you is what I live for

I just had a crazy thought

Chorus

Hey Baby, let's go to Vegas

Kiss the single life good-bye

Hey Baby, let's go to Vegas

Bet on love and let ride it

We'll find a little wedding chapel

A pair of rings and a preacher too

Underneath the neon steeple

We'll take a gamble and say "I do"

Repeat Chorus

Viva Las Vegas, sparklin' lights

Dangerous livin', tumblin' dice

You're my ace in the hole now honey

And I'm your lady luck

Pack a few things and a little money

Let's Go To Vegas - 2/2

And put 'em in the truck

Repeat Chorus
