

## It Will Be Me - 1/2

**Interprété par Faith Hill.**

When you start falling

Who's gonna catch ya

I'm willing to bet ya

It will be me

Who's gonna love ya

Like there's no other

Search and discover

It will be me

When all the others

Have gone and hurt you

Who won't desert you

It will be me

Weighing the options

So much to think of

But when you think love

It will be me

You may not see it now

Love is strange that way

Someday somewhere baby somehow

When you've been broken

And dreams don't oblige ya

## It Will Be Me - 2/2

Who's that beside ya

Oh, it will be me

You may not see it now

Love is strange that way

Someday somewhere baby somehow

Who'll be your only

True romancer

You know the answer

It will be me

What will it take to

Bring you to your senses

And finally convince you

It will be me
