

Let's Make Love - 1/3

Interprété par Faith Hill.

Baby I've been drifting away

Dreaming all day

Of holidng you

Touching you

The only thing I want to do

Is be with you

As close to you

As I can be

Let's make love

All night long

Until all our strength is gone

Hold on tight

Just let go

I want to feel you in my soul

Until the sun comes up

Let's make love

Oh, baby

Do you know what you do to me

Everything inside of me

Is wanting you

And needing you

I'm so in love with you

Let's Make Love - 2/3

Look in my eyes

Let's get lost tonight

In each other

Let's make love

All night long

Until all our strength is gone

Hold on tight

Just let go

I want to feel you in my soul

Until the sun comes up

Let's make love

Let's make love

All night long

Until all our strength is gone

Hold on tight

Just let go

I want to feel you in my soul

Until the sun comes up

Oh, until the sun comes up

Let's make love

Oh baby, let's make love

Let's Make Love - 3/3

All night long

All night long

Let's make love
