

Breathe - 1/2

Interprété par Faith Hill.

I can feel the magic floating in the air

Being with you gets me that way

I watch the sunlight dance across your face and I've

Never been this swept away

All my thoughts seem to settle on the breeze

When I'm lying wrapped up in your arms

The whole world just fades away

The only thing I hear

Is the beating of your heart

'Cause I can feel you breathe

It's washing over me

Suddenly I'm melting into you

There's nothing left to prove

Baby all we need is just to be

Caught up in the touch

The slow and steady rush

Baby, isn't that the way that love's supposed to be

I can feel you breathe

Just breathe

In a way I know my heart is waking up

As all the walls come tumbling down

Breathe - 2/2

I'm closer than I've ever felt before

And I know

And you know

There's no need for words right now

'Cause I can feel you breathe

It's washing over me

Suddenly I'm melting into you

There's nothing left to prove

Baby all we need is just to be

Caught up in the touch

The slow and steady rush

Baby, isn't that the way that love's supposed to be

I can feel you breathe

Just breathe

Caught up in the touch

The slow and steady rush

Baby, isn't that the way that love's supposed to be

I can feel you breathe

Just breathe

I can feel the magic floating in the air

Being with you gets me that way
