

I love you - 1/3

Interprété par Faith Hill.

I must be crazy now

Maybe I dream too much

But when I think of you

I long to feel your touch

To whisper in your ear

Words that are old as time

Words only you would hear

If only you were mine

I wish I could go back to the very first day I saw you

Should've made my move when you looked in my eyes

'Cause by now I know that you'd feel the way that I do

And you'd whisper these words as you'd lie here by my side

I love you

Please say you love me too

These three words

They could change our lives forever

And I promise you that we will always be together

'Til the end of time

So today I finally find the courage deep inside

Just to walk right up to your door

I love you - 2/3

But my body can't move when I finally get to it

Like a thousand times before

Then without a word you handed me this letter

Read I hope this finds the way into your heart, it said

I love you

Please say you love me too

'Til the end of time

Well maybe I, I need a little love, yeah

Maybe I, I need a little care

Maybe you, maybe you need somebody just to hold you

If you do

Just reach out

I'll be there

I love you

Please say you love me

Please say you love me too

These three words, they could change our lives forever

And I promise you that we will always be together

Oh, I love you

Please say you love me

I love you - 3/3

Please say you love me too

'Til the end of time

Oh baby, my baby, together, forever

I love you

I will be your light

Shining through your eyes
