

Cover Up (Nuttea et UB40) - 1/2

Interprété par Nuttea.

J'ai le coeur meurtri,
Je n'ai plus de patrie,
Sinon celle d'un peuple banni
D'un système ou l'amour est un luxe
Seen ? UB 40 Nuttea
Wouah Wouah try

Cover up with loving protection
Guard your love in every direction
Don't give up for fear of rejection
Stand your ground and voice an objection

Run away my sister and brother
Be afraid of love when the lover
Tries to read the book by the cover
Wrapped up in the arms of another
Cover up with loving protection
Guard your love in every direction
Don't give up for fear of rejection
Stand your ground and voice an objection

Cover up prolonging the yearning
Just ahead the fires are burning
Swim for shore the tides are now turning
Love the ones you love with your learning

Couvre-la de toute ton affection
Protège-la dans toutes les directions
Garde-la dans ses grandes ambitions
Ecoute-la de toute ton attention

Les chants s'élèvent tels des oriflammes
Comme un message qui toucherait les âmes
La presse est là pour couvrir le drame
Mais qui se doute du piège qui se trame

Couvre-la de toute ton affection
Protège-la dans toutes les directions
Garde-la dans ses grandes ambitions
Ecoute-la de toute ton attention

Nuttea UB40 exclusively

Got to be safe if you want to be free (Got to be safe if you want to be free)
To sit in the shade of the family tree (To sit in the shade of the family tree)

Cover Up (Nuttea et UB40) - 2/2

Je vois partir mes frères et mes soeurs
Et c'est comme toute une nation qui meurt
Que ma voix se fasse l'écho des pleurs
Ne laissons pas dominer nos peurs

Couvre-la de toute ton affection
Protège-la dans toutes les directions
Garde-la dans ses grandes ambitions
Ecoute-la de toute ton attention

Got to be safe if you want to be free (Got to be safe if you want to be free)
To sit in the shade of the family tree (To sit in the shade of the family tree)

Got to be safe if you want to be free (Got to be safe if you want to be free)
To sit in the shade of the family tree (To sit in the shade of the family tree)

Got to be safe if you want to be free (Got to be safe if you want to be free)
To sit in the shade of the family tree (To sit in the shade of the family tree)

Got to be safe if you want to be free (Got to be safe if you want to be free)
To sit in the shade of the family tree (Oh oh...)
