

## It's alright - 1/2

**Interprété par David Charvet.**

Lost... Feelin' blue  
Don't let life get you down  
Though it's hard cause I've been there too

Found... Finally free  
Behind lives door was love and I realized I had the key

So... It's all in your mind  
The troubles you hold in your heart  
Are imaginary kinds  
Don't let them stand in your way  
You'll soon find tomorrow's  
Dreams will come true today

Chorus:  
It's alright... It's OK  
So I want you to listen girl,  
When you hear me say  
It's alright...It's OK  
And there's nothing going stop us now  
Blue skies are here to stay

Stop... Can't you see... oh no  
It's your heartache that holds you back  
Love yourself it's set you free

Go... have no fear  
Take a chance on your heart  
Don't look back, leave your shadows here

So... It's all in your mind  
The troubles you hold in your heart  
Are imaginary kinds  
Don't let them stand in your way  
You'll soon find tomorrow's  
Dreams will come true today

Chorus

Running up high  
Running down low  
Running out of time  
I don't want to go away like that

What you gonna choose  
What you gonna prove  
What you gonna lose

## It's alright - 2/2

I don't want to live my life like that

Chorus
