

Prisoner of love - 1/2

Interprété par David Charvet.

Gotta surrender, throw your hands up
And give yourself away
You're not in danger, I'm taking you as
A prisoner of my love

Before I throw away the key
Just to keep you close to me
I have to say, it's worth the wait
If you give yourself to me

For you, I have found myself
I feel I'm someone else
For you, I find the truth in me

Chorus:
Lay down your arms, don't fight with me
You know that I don't mean you harm
So accept defeat
Lay down your arms, just come with me
All is fair in love and war
It's time to be a prisoner of love

You gotta surrender, wave a white flag
Reveal yourself to me
I'll be waiting on the front lines
To set our two souls free
And if you're hungry I will feed you
With everything you need
And don't you worry, I'll protect you
My love will be your shield

For you, I have found myself
I feel I'm someone else
For you, I find the truth in me

Chorus

Girl I need you so much
You can run but you can't hide

For you, I have found
I feel I'm someone else
For you, I find the truth in me

Chorus

I'm a prisoner of love
