

## Strange world - 1/1

**Interprété par Iron Maiden.**

The only place  
where you can dream,  
living here is not what it seems.  
Ship of white  
light in the sky,  
nobody there to reason why.  
Here I am, I'm not really there,  
smiling faces ever so rare.  
A let's walk in deepest space,  
living here just isn't the place.

Stalks of light  
come from the ground,  
when I cry there isn't a sound.  
All my feelings  
cannot be held,  
I'm happy in my new strange world.  
Shades of green grasses twine,  
girls drinking plasma wine.  
A look at love, a dream unfolds,  
living here, you'll never grow old.
