

Brave new world - 1/1

Interprété par Iron Maiden.

Dying swans
Twisted wings
Beauty not need it here
Lost my love
Lost my life
Is this cavern of fear
I have seen may things
In a lifetime alone
Mother love is no more
Bring the savage back home

Wildness house of pain
Makes no sense of it all
Close this mind
To all this gray
Master man for his fall
What you see
Is not real
Those who know will not tell
Only it's lost
Sould Your soul
To this Brave New World

A Brave New World
In a Brave New World
A Brave New World
In a Brave New World

Dragon kings Dying Queens
Where is salvation now
Lost my life Lost my dreams
Rip the bones from my fleash
Silent screams Laughing hear
Dying to tell you the truth
You have planned and you are damned
In this Brave New World

A Brave New World
In a Brave New World
A Brave New World
In a Brave New World
