Interprété par Beatles.

This happened once before,
When I came to your door,
No reply.
They said it wasn't you,
But I saw you peep through your window,
I saw the light, I saw the light,
I know that you saw me,
'cause I looked up to your face.

I tried to telephone,
They said you were not home,
That's a lie,
'cause I know where you've been,
I saw you walk in your door,
I nearly died, I nearly died,
'cause you walked hand in hand
With another man in my place.

If I were you'd realize that I
Love you more than any other guy,
And I'll forgive the lies that I
Heard before when you gave me no reply.

I've tried to telephone,
They said you were not home,
That's a lie,
'cause I know where you've been,
I saw you walk in your door,
I nearly died, I nearly died,
'cause you walked hand in hand
With another man in my place.
