

## Goodbye to love - 1/1

**Interprété par Carpenters.**

I'll say goodbye to love  
No one ever cared if I should live or die  
Time and time again the chance for love has passed me by  
And all I know of love is how to live without it  
I just can't seem to find it

So I've made my mind up I must live my life alone  
And though it's not the easy way  
I guess I've always known  
I'd say goodbye to love

There are no tomorrows for this heart of mine  
Surely time will lose these bitter memories  
And I'll find that there is someone to believe in  
And to live for  
Something I could live for

All the years of useless search  
Have finally reached an end  
Loneliness and empty days will be my only friend  
From this day love is forgotten  
I'll go on as best I can

What lies in the future is a mystery to us all  
No one can predict the wheel of fortune as it falls  
There may come a time when I will see that I've been wrong  
But for now this is my song

And it's goodbye to love  
I'll say goodbye to love
