

I'm waiting for the day - 1/1

Interprété par Beach Boys.

I came along when he broke your heart
That's when you needed someone to help forget about him,
I gave you love with a brand new start
That's what you needed the most to set your broken heart free,

I know you cried, and you felt blue,
But when I could I gave strength to you

I'm waiting for the day when you can love again

I kissed your lips when your face looked sad,
It made me think about him and that you still loved him so
But you know that pretty soon
I made you feel glad that you belonged to me
And love began to show

He hurt you then, but that's all done,
I guess I'm saying you're the only one
I'm waiting for the day when you can love again

He hurt you then, but that's all done,
I guess I'm saying you're the only one
I'm waiting for the day when you can love again

You didn't think that I could sit around and watch him work
You didn't think that I could sit around and let watch him take you
You didn't think that I could sit around and let him go.
You didn't think that I could sit back and let you go
