

## Here today - 1/1

**Interprété par Beach Boys.**

It starts with just a little glance now  
Right away you're thinkin' 'bout romance now  
You know you ought to take it slower  
But you just can't wait to get to know her

A brand new love affair is such a beautiful thing  
But if you're not careful think about the pain it can bring

It makes you feel so bad  
It makes your heart feel sad  
It makes your days go wrong  
It makes your nights so long

You've got to keep in mind  
Love is here  
today  
And it's gone tomorrow  
It's here and gone so fast

Right now you think that she's perfection  
This time is really an exception  
Well you know I hate to be a downer  
But I'm the guy she left before you found her

Well I'm not saying you won't have a good love with her  
But I keep on remembering things like they were

She made me feel so bad, she made my heart feel sad,  
She made my days go wrong, and made my nights so long,

You've got to keep in mind  
Love is here  
today  
And tomorrow it's gone  
It's here and gone so fast  
Keep in mind love is here today  
And tomorrow it's gone  
It's here and gone so fast

Love is here today  
And tomorrow it's gone  
It's here and gone so fast
