

## September girls - 1/1

**Interprété par Bangles.**

September girls  
Do so much  
And for so long  
'Til we touched  
I love you, boy  
Never mind  
I've been crying  
All the time

December boys got it bad  
December boys got it bad

September girls  
I don't know why  
How can I deny  
What's inside  
Even though I  
Keep away  
They will love  
All our days

December boys got it bad  
December boys got it bad

When I get to bed  
Late at night  
That's the time he  
Makes things right  
Ooh when he makes  
Love to me
