You think I'm crazy or something
Always following you around
You say I'm a hopeless case
Run an obsession into the ground

You call me a loser
You call me a shadowing fool
Look over your shoulder
And you say I'm haunting you

So why do you call me
Why do you look for me
Why do your eyes follow me the way they do

You hold me responsible
Yeah, so I stand accused
Of causing all the trouble
After high school
(Between him and you)

You call me a loser
You call me a shadowing fool
But I was a good girl
Yeah, 'til you taught me
What it means to be true
Why do you call me
I know you look for me
Why do your eyes follow me the way they do
