

The mysteries of love - 1/1

Interprété par Alphaville.

All I want is you, don't you know that,
forever loving you
Don't you know that it's true.
I'm leaving you tonight
But don't listen if they say that
we'll never meet again
In the Land Of Make Believe,
We cannot lose the race
Breaking the secret spells they put on us,
my Love
We're far out of their reach
a million years ahead
They never understand the Mysteries
of Love

Here's the Mysteries of Love
give your body to the Mysteries
Tear down your uniforms,
here's the Mysteries of Love

All I want to be, don't you know that all
we wanna be is free
Like the beasts of the sea.
We kiss the last Good-Byes
And sailing with a S.M.I².L.E
'cross the iron borderlines
That butterflies despise.
We cannot lose at all
Breaking the secret spells they put on us,
my Love
We're far out of their reach
a million years ahead
They never understand the Mysteries
of Love
