

The jet set - 1/1

Interprété par Alphaville.

This is the time, now gimme that beat Feel how the rhythm grips your feet Ah Kitty-Baby, take my hand She's like a devel heaven-sent I'm in her arms and she's in mine Maybe we'll make the film on time Sitting in the 15th row Oh Baby Baby, I love you so

We are the jet-set society, we are the jet-set And that means liberty

We're on the run
We know where to go
We've got the tickets for the midnight show
These nights are burning out so fast
Hop on the beam, you won't be last
The russians seem to be that way
We love 'em like we love D. Kaye
We need no money, we got it free
We are the high-high-high-high
So-ci-e-ty

We are the jet-set sociey, we are the jet-set And that means liberty

We are the jet-set / hop on the beam We are the jet-set / hop on the beam

Shine on society -- shine on liberty Shine on luxury -- shine on so-ci-e-ty

Streets are full of love and fear This could be the final year Enrico's dead but still ok We dance the streets, feeling well If she's a liar, I'm her lover If she's a priestess, I'm her cover If she's a lady, I'm her man If she's a man, I'll do what I can

We are the jet-set society, we are the jet-set And that means liberty

Oooh, I do what I can Oooh, Baby, I love you so and we don't care
