

Faith - 1/2

Interprété par Alphaville.

Woke up in the morning
Still I heard this song
Must be somewhere from my dreams
I don't know
Made me feel so good
Sun was shining bright
God, I love you that you brought
This little song

To give me faith, in the morning
I need your faith, to go on
Yeah, give me some faith
Can't get enough of that sweet feeling
Give me faith
Oh yeah, keep the faith

Sweet little girl, lying next to me
Sunlight's playing on your face
With soft shadows
You're so beautiful
Dream on, dream on, lady
I'm gonna wake you up
When the time is right

You give me faith, in the morning
I need your faith to go on
Yeah, give me some faith
Can't get enough of that sweet feeling
Give me faith
Oh yeah, I'll keep the faith

Darling, let me hold you
Let me kiss you, it feels so nice
Come on, let's go outside

One day, I shall be released by my creator
Going home to where I came from long ago
And the big wheel keeps on turning round and round
Into eternity, with me, to cosmic meadows
I will be there with all my friends

Faith, in the morning
I need your faith, to go on
Yeah, give me your love and your affection
And I'll keep the faith
Oh yeah, I'll keep the faith

Faith - 2/2

God bless you, Faith...
