

## Blooming 18 - 1/1

**Interprété par Ace of Base.**

Reality reality reality is always

You tattoo yourself like a piece of art  
You've already broken your mother's heart  
When I was your age, working my ass off  
Your generation's soft

Reality is such a drag  
For barely blooming eighteens  
The barely blooming eighteen  
Wants to know  
What's keeping her from searching

You cannot pierce that and  
You're dressed too tight  
Got a lot to learn about wrong and right  
So dye your hair, dad's gonna wash it out  
Come on wash your mouth

Reality is always...  
What's hiding in the shadow

Reality reality reality is always

Reality is always...
