

## A little of you - 1/1

**Interprété par Eurythmics.**

There used to be a time  
I wore my heart upon the sleeve.  
There used to be a time  
I'd show my gentle side to anyone  
Through these years of wandering  
I know I've been deceived.  
Through these years of wandering...

And everytime you try to hurt me  
You know you'll only hurt yourself.  
And everytime you try to hurt me  
I know you'll be the one to suffer  
When you think you're hurting someone.

A little of you - a little of me -  
A little of you -  
Is hurting someone -

Don't tell me I'm the only one  
'Cause I don't need that space.  
Don't ask for love  
I'll throw it back in your face.  
All of these promises  
Were only made to break.  
All of these promises...

(Chorus repeats...)
