

# I'll supply the love - 1/1

**Interprété par Toto.**

You supply the night, baby  
I'll supply the love  
You supply the night, baby  
I'll supply the love

I see a horseman in the sky  
It makes me turn and wonder why  
I hear the same old fourteens reasons  
Must be the changin' of the seasons

You supply the night, baby  
I'll supply the love  
You supply the night, baby  
I'll supply the love

I met girl across the sea  
She save my life and came to me  
A tender night of dark persuasion  
Could be my first and last occasion

You supply the night, baby  
I'll supply the love  
You supply the night, baby  
I'll supply the love
