

It Ain't Personal - 1/1

Interprété par R Kelly.

[Jay-Z]

Man, they go and tell me like
you never know who your true friends until you ah umm
both got a little bit of money
I mean cause y'all both broke
then there's no strain on the relationship, y'all both broke
And if you got money and he ain't got no paper
He still needs you so you'll never know how he really feel about you
When y'all both get some paper, you'll see

[R. Kelly] + (Jay-Z)

We used to get money together, phone honies together
Pushin chromed out twinkies in custom coach leather
You claim it's all love, but nk to do
Do me a favor, place yourself in my shoes
The game, no exceptions, gotta follow the rules

[Chorus]
