

Take You Home With Me a.k.a. Body - 1/1

Interprété par R Kelly.

[Jay-Z]

Uh, uhh uhh, Kel's
Young, M, X, tra, money, let's go

[Chorus 2X: R. Kelly] + (Girl)

Girl you know you got a body-adi-adi (do you like it?)
Where you get your little body-adi-adi (do you want it?)
Girl I wanna freak your body-adi-adi (what you want it?)
I just wanna take you home with me

[Jay-Z]

She get it from her momma..
You can't tie a sweater over that ass, it hotter than pajamas
We lay back, blowin ganja
DVD, she make it hard to watch a flat TV - WHOA
I crept up behind her
Mami threw it like a quarterback, I caught that like Rice
I call mami Montana, bandana
Tied her hands up - this is gangsta love
Threw on a rap CD, we gangsta ft
See I just wanna freak your body-adi-adi
I know you don't do this for everybody-adi
But everybody ain't as horny as me
And your body's - callin, me...

[Chorus]

[Jay-Z]

Uhh, yeah
Mami shot through the pad with the Mark Jacobs bag
The thick stitched seam and her favorite ass jeans
Y'all know the first date wearers
to make objects bigger than they appear like a rearview mirror
Oh her shoe game is real
She gave 'em the Christian Libountins(?) with the four inch heels
But honestly my favorite type of gear
is a scrungy for her hair and LaPearla underwear, clear?

[R. Kelly]

Girl I hear you callin, let's stop stallin
Do what we came to do
Girl I hear you callin, let's stop stallin
Baby I want you, yeah

[Chorus]
