

## Stop falling - 1/2

**Interprété par Pink.**

La, da, la, la, la  
La, da, la, la, la, la, ooh

I - I ain't lookin' for a steady thing  
I ain't looking for what love brings  
Cause I'm still young and I ain't ready babe  
I'm still looking for some better days  
I don't wanna give you everything  
I just wanna make you feel things  
If you ain't down to give me everything  
Just throw it away

Don't assume cause I'm a woman that'll fall in love  
Don't expect I'm young and need to be took cared of  
Don't wanna hear you got what I need  
Cause how would you know before we speak?

You've gotta understand my side  
I've had a crazy, crazy life  
Nobody came along to open up my eyes  
You better take what you can get  
Don't even bother with my heart  
'Cause I'll get a feeling I won't let it start

Repeat 1

Please believe me  
I've been down this road and back again  
Learned a lesson and it was that love is not my friend  
The day I put my trust in you  
Will be the day I say I do  
Don't expect me just to open up  
Maybe I'm just a little scared  
Please don't tell me what you think  
I don't wanna hear it  
Oh baby save it  
I've heard it all before  
There ain't nothing you could say to make me change

Repeat 1

So stop falling, stop falling  
You know you're falling for me  
Stop falling, stop falling  
Stop falling for me, yeah

You've gotta understand my side

## Stop falling - 2/2

I've had a crazy, crazy life  
Nobody came along to open up my eyes  
Oh baby take what you can get  
Don't even bother with my heart  
'Cause I'll get a feeling I won't let it start

Repeat 1

Stop falling, oh, hey, oh, oh yeah  
Baby
