Don't know much about history, don't know much biology.
Don't know much about a science book, don't know much about the french I took.
But I do know that I love you, and I know that if you love me, too, what a wonderful world this would be.

Don't know much about geography, don't know much trigonometry.

Don't know much about algebra, don't know what s slide rule is for.

But I know that one and one is two, and if this one could be with you, what a wonderful world this would be.

I don't claim to be an 'A' student, but I'm tryin' to be. For maybe by being an 'A'-student, baby, I can win your love for me.

Don't know much about history, don't know much biology.
Don't know much about a science book, don't know much about the french I took.
But I do know that I love you, and I know that if you love me, too, what a wonderful world this would be.

For maybe by being an 'A'-student, baby,
I can win your love for me.
