You showed me how to do Exactly what you do How I fell in love with you Oh, it's true Oh, I love you

You showed me how to say Exactly what you say In that special way Oh, it's true You fell for me too

And when I tried it, I could see you fall And I decided it's not a trip at all

You taught it to me too Exactly what you do And now you love me too Oh, it's true We're in love, we two

You showed me how you do Exactly what you do How I fell in love with you

You showed me how to say Exactly what you say In that special way

You taught it to me too Exactly what you do And now you love me too
