

Just the two of us - 1/1

Interprété par Austin Powers 2.

Dr. Evil

This is a very sensitive subject...

Just the 2 of us (repeat 2x)

yeahhhhhh ahum ahum ahum

verse 1

From the moment I heard Frau

Said I had a clone

I knew that I'd be safe

Cuz I'd never be alone

An evil dr. shouldnt speak aloud bout his feelings

My hurt and my pain don't make me too appealing

I'd hope Scott

Would look up to me,

Run the buisness of the family

Had an evil empire,

Just like his dear old dad

Give him my love and the things he never had

Scott would think

I was a good guy

returned the love I have

make me wanna cry

Be evil, but had my feelings too

Chaged my life with Opra and Mya Angelou

But Scott rejected me

Say La vea

life is cruel,treat you unfairly

Even so, a God there must be

Miny Me, you complete me.

Just the two of us (repeat 10x)

uh-huh

yeah

just me and you

gettin jiggy with it

yeah ahum

quite pleasent really

YOU AND I

daddy loves you

daddy loves you

you and I
