

I can't catch you - 1/1

Interprété par Six Pence None The Richer.

I guess you could say I'm a little afraid.

What if you go away?

I've seen it before,

I've been here before.

If I have to love myself,

Tell me how to love myself.

What's there to love about myself?

I just want to see that as a person you want me.

But I'm feeling the pain of all these bags in the way,

And I'm thinking you're just gonna run away, and I can't catch you.

I guess I would say that I want you to stay.

'Cause you have this strange knack,

adds a glow to my black as you chase it all away.

And I hope that you can see I will someday leave these things.

I am waiting to be free.

But I'm feeling the pain of all these bags in the way,

And I'm thinking you're just gonna run away, and I can't catch you.

Oh, I want to catch you.
