

## Love you - 1/1

## Interprété par Sarah McLachlan.

I have a smile stretched from ear to ear to see you walking down the road

we meet at the lights
I stare for a while
the world around disappears

just you and me on this island of hope a breath between us could be miles

let me surround you my sea to your shore let me be the calm you seek

oh and every time I'm close to you there's too much I can't say and you just walk away

and I forgot
to tell you
I love you
and the night's
too long
and cold here
without you
I grieve in my condition
for I cannot find the strength to say I need you so

oh and every time I'm close to you there's too much I can't say and you just walk away

and I forgot to tell you I love you and the night's too long and cold here without you
