

# Over You - 1/1

**Interprété par Sheryl Crow.**

I feel like cherry wine  
Like Valentines  
Like a Spring is coming  
And everything is all right  
I've got a love that's new  
I hear you're happy too  
That's the way it should be  
But lately I feel like crying o

I wanna get over you  
But you're everywhere  
And I just can't get away  
I gotta get over you  
'Cause it's just not fair  
That I still see your face

I heard your name today  
I walked away  
Cause everyone's still talking  
I don't need that in my life  
Got better things to do  
Than worry about you  
I'm gonna keep on walking  
But sometimes I don't know why

I wanna get over you  
But you're everywhere  
And I just can't get away  
I gotta get over you  
'Cause it's just not fair  
That I still see your face

Well we had a good time  
But time goes on  
You didn't really want me until I was gone  
I wanna get over you  
Before you get over me  
Over me

I wanna get over you  
But you're everywhere  
And I just can't get away  
I gotta get over you  
'Cause it's just not fair  
That I still see your face
