There is no one else that
I can say this to
And there is nothing better
Then talk wath you
If you have a problem
I'll be here for you
'Cause girl you always know that
It's us against the world

I met someone the other night
Someone I really started to like
How will I know if he's right for me
I wonder if we are meant to be

Don't start to like him to much to soooooooooon

There is no one else that
I can say this to
And there is nothing better
Then talk to you
If you have a problem
I'll be here for you
'Cause girl you always know that
It's us against the world

You know that boy I started to see
He thinks he can have it all for free
I wonder if he's the one for me
I try to talk to myself into see

Don't start to like him to much to soooooooooon

I can say this to
And there is nothing better

Us against the world - 2/2

'Cause girl you always know that
It's us against the world

Whenever you're near
There is no fear
It feels like there's nothing I can do
You make me feel so strong
'Cause it's here with you that I belong

There is no one else that
I can say this to
And there is nothing better
Then talk to you
If you have a problem
I'll be here for you
'Cause girl you always know that

there aint no body else but
you that me feel the way that i do there
aint no body else but you
its against the world

There is no one else that
I can say this to
And there is nothing better
Then talk to you
If you have a problem
I'll be here for you
'Cause girl you always know that
It's us against the world

There is no one else that
I can say this to
And there is nothing better
Then talk to you
If you have a problem
I'll be here for you
'Cause girl you always know that
